Cottage was added on to in the late sixties – garage, shower (square picture)
Present owners Jon and Carol Peotter is grandson to Walter, son of Claude (1971-1972 pictures

Cottage has changed colors but basically the same as original structure.

We've enjoyed Clark Lake sunsets, (1976), tranquility (1986) and initially the geese! (1998)

Our daughters – Claudette - age 20, Callie - age 18, Jill - age 16, enjoy eater sports and being
outdoors. (These pictures are from the past 5 years) and they are doubles. Thank you for your
