Lou & Ann Rapp  
Cottage was built in 1960's by George Schaus.  
George Schaus owned before Rapp's and we bought from him.

Built new boathouse and garage past 5 years. Children Eric and Laura were ages 10 and 7 when cabin was first purchased. They learned to sail and boat in summers on Clark Lake. Now their children come up. George Schaus was from Manitowoc and he and his wife built the cabin of cedar logs from around Clark Lake.
